

Connect: Primary contact

Enabling RelativityOne Connect

To enable Connect and connect two or more Relativity instances, each party's RelativityOne primary contact must complete a RelativityOne Connect Request form. This applies unless the two instances are owned by the same customer (or their global entity).

To begin using RelativityOne Connect, the primary RelativityOne contact at your organization needs to navigate to the Community site.

As your organization's primary RelativityOne contact, navigate to the Community site. In the Community site, navigate to RelativityOne Connect Request Form.

1. In the top navigation menu, click **Support**.
2. On the Support page, click the **Submit or resume** button under RelativityOne Requests.

Notes: If you don't see the RelativityOne Requests section, you are not the RelativityOne Primary Contact. Please make sure you are logged in as the primary contact to move forward in requesting a form.

3. In the RelativityOne Request page, click the **Choose Request Type** drop-down menu.
4. Select **RelativityOne Connect**.
5. Click **Next**.

This opens the RelativityOne Connect Request Form.

RelativityOne Connect Request Form

RelativityOne Connect enables enterprises, law firms, and service providers to securely connect their RelativityOne instances and collaborate across organizational boundaries. The new capability facilitates seamless data sharing across all workspaces that users have been granted access facilitating increased productivity and security.

To request a secure connection, please submit the form below.

Name:

Email:

* INSTANCE NAME OF YOUR RELATIVITYONE TENANT
(To find an instance name, click About Relativity in the user flyout menu and it will be below the RelativityOne version number in the format R1 - {Name} - {Number}) ⓘ

* INSTANCE NAME OF THE RELATIVITYONE YOU WANT TO CONNECT TO (See value of Instance Instance Setting)
(To find an instance name, click About Relativity in the user flyout menu and it will be below the RelativityOne version number in the format R1 - {Name} - {Number}) ⓘ

In the request form, confirm that the name and the email address match your information. Then continue filling out the form by entering the instance name of your RelativityOne tenant and the instance name of the RelativityOne instance that you want to connect to by completing the following fields:

- **Instance Name of your RelativityOne tenant**—the name of your organization's instance.
- **Instance Name of the RelativityOne tenant you want to connect to**—the name of the instance name that you want organization's instance to connect to.

Once entered, click **Next**. Confirm the request was submitted and click **Finish**.

RelativityOne Connect Request Submitted

Thank you for submitting your request for **RelativityOne Connect**. Your request has been submitted as a ticket # **02466799**. You can manage this and other support tickets from your [personalized home page](#) or from the [support page](#).

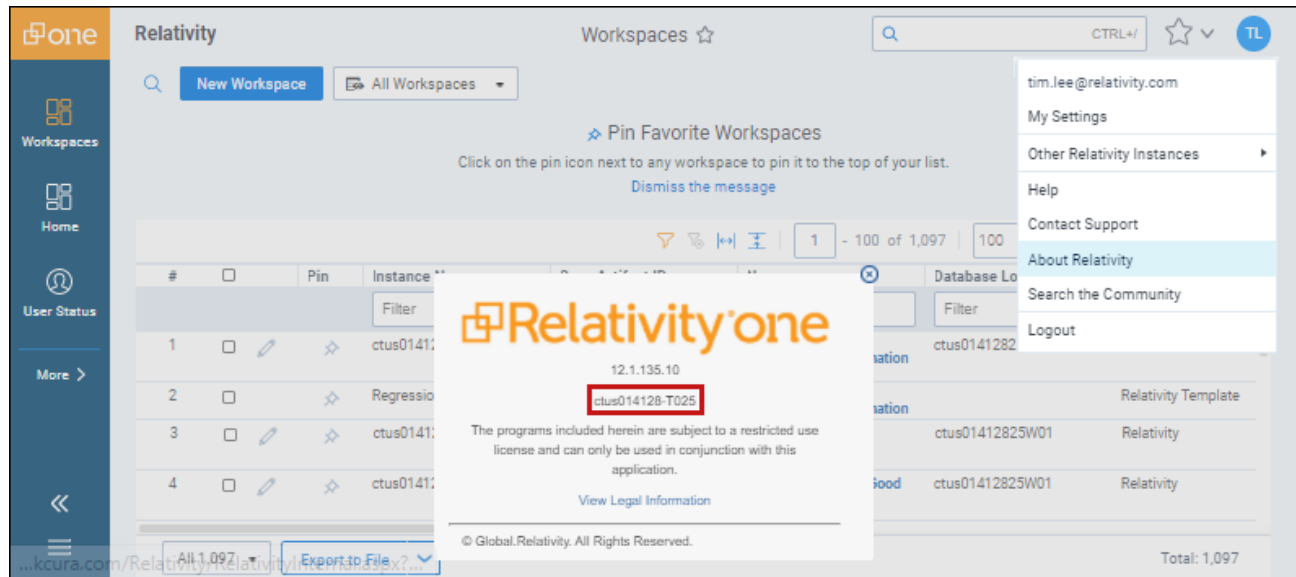

Once submitted, Relativity can confirm the RelativityOne primary contacts email addresses and instance names. Once confirmed, a new authentication provider option is available when updating a user's login method.

Notes: To connect to more than one RelativityOne instance, you will need to submit multiple requests.

Once the request has been submitted, Relativity can confirm the RelativityOne primary contacts email addresses and instance names. Once confirmed, a new authentication provider option is available when updating a user's login method.

Finding instance names

Find the instance names in the User options drop-down menu. Copy the instance name from your instance and retrieve the other instance name.

The screenshot shows the RelativityOne user interface. On the left is a sidebar with navigation options: Workspaces, Home, User Status, and More. The main area displays a table of instances. A user profile drop-down menu is open, showing options like 'tim.lee@relativity.com', 'My Settings', 'Other Relativity Instances', 'Help', 'Contact Support', 'About Relativity', 'Search the Community', and 'Logout'. The 'About Relativity' option is highlighted. Below the menu, a table lists instances with columns for #, Pin, Instance, and Database Location. The instance 'ctus014128-T025' is highlighted in red. A modal window for 'Relativity one' is also visible, showing the instance name 'ctus014128-T025' and a license notice.

#	Pin	Instance	Database Location
1	<input type="checkbox"/>	ctus014128-T025	ctus0141282
2	<input type="checkbox"/>	Regression	ctus01412825W01
3	<input type="checkbox"/>	ctus014128-T025	ctus01412825W01
4	<input type="checkbox"/>	ctus014128-T025	ctus01412825W01
